Dear Luke,

Thank you for your generous in-kind donation, valued at \$10,114.00, provided to Verde Valley Habitat for Humanity for our Sedona Blitz Build at 460 Peach Lane, Sedona.

We prefer to think of your gift as an investment from which you should expect a solid return... a stronger, healthier community achieved by building strength, stability and self-reliance through shelter right here in the Verde Valley.

Most of all, your investment in our organization not only helps us to build homes for qualified low-income homeowners, it helps families have a stable and affordable home where they can flourish.

We thank you for your commitment to bettering our community and we look forward to a continued relationship with you.

Yours in service,
